PATCH REFILLS – FOR PRESCRIBERS AND CAREGIVERS

3 – 12 months

The Monarch eTNS Starter Kit comes with a 4-week supply of disposable patches. We recommend prescribing an additional 3 – 12 months of patch refills so patients can continue treatment. Without refills, the patient will need a new prescription.

To add refills, check “Disposable electric patches” on the next page and enter 3 – 12 months.

AUTHORIZATION TO USE AND DISCLOSE MEDICAL INFORMATION

This Authorization allows my healthcare providers and my durable medical equipment or pharmaceutical suppliers (together, "healthcare providers") and health plans to disclose to NeuroSigma, Inc. and its third-party contractors, agents, and assignees (together, "NeuroSigma") protected health information ("PHI") about me related to my use or need for the products covered by the Monarch Pediatric Care Program. My PHI will include spoken or written facts, copies of my medical or other records from my healthcare providers, health plan or other sources outlining my medical history, treatment/management plan and other social determinants of health, as well as my insurance benefits and coverage information. The purpose of the disclosure and use set out above is to allow NeuroSigma to verify and/or obtain insurance coverage for the NeuroSigma products specified and to advise NeuroSigma with regards to the best form of communication to meet my needs. I understand that: (1) Once my PHI has been disclosed to NeuroSigma it may no longer be protected by federal privacy law and may be re-disclosed by NeuroSigma as a result. (2) I can refuse to sign this Authorization without impacting the start, continuation, or quality of my treatment, payment for treatment, clinic or insurance enrollment, or eligibility for insurance benefits or coverage because my healthcare provider and/or health plan cannot condition treatment, payment, enrollment, or eligibility for benefits on whether I sign this Authorization, but I will not be able to receive services from the Monarch Pediatric Care Program. (3) I may revoke, cancel or withdraw this Authorization at any time and for any reason by sending a signed written letter to the Monarch Pediatric Care Program at the following address: 45610 Woodland Road, Suite 320, Sterling, VA 20166. (4) If I cancel this Authorization, such cancellation will not change any actions that NeuroSigma or others took in reliance upon this Authorization before the date that I cancelled this Authorization. (5) This Authorization expires when my consideration for or participation in the Monarch Pediatric Care Program ends. (6) I have the right to receive a copy of this form from NeuroSigma. I give my permission to allow NeuroSigma to provide me with information about NeuroSigma products, disease education and awareness management programs, and promotional materials related to my condition or treatment.
